Bad Heir Day

In 'Bad Heir Day,' Logan finds himself entangled in a twisted inheritance case that turns deadly. When the wealthy patriarch of the Sinclair family is found murdered, a trail of suspects emerges, each with their own motive and dark secrets. As Logan digs deeper, he uncovers a web of greed, betrayal, and hidden agendas that threaten to derail his investigation.

With his trademark wit and tenacity, Logan unravels the tangled threads of the case, navigating through a labyrinth of red herrings and false trails. Family feuds, illicit affairs, and long-held grudges collide, leaving Logan to separate the truth from the lies that surround him. As the body count rises, Logan must race against time to unmask the killer before they strike again.

Stramash

In 'Stramash,' Logan is called to investigate a gruesome murder at a local music festival. Amidst the chaos and revelry, a young woman is found dead, her body bearing the brutal marks of a savage attack. As Logan delves into the vibrant yet dangerous world of the festival, he encounters a cast of colorful characters, from drug-dealing musicians to belligerent revelers.

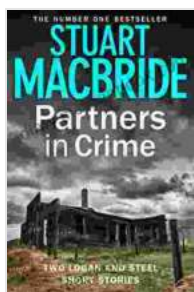

Unraveling the truth proves to be a treacherous task in the midst of the swirling crowds and deafening music. Rumors, gossip, and conflicting accounts paint a fragmented picture of the night's events. Logan must sift through a sea of distractions, deciphering the hidden meanings behind the music and chaos.
