1. Create an Amazon Send-to-Kindle email address: Log in to your Amazon account and navigate to the "Manage Your Content and Devices" page. Under "Settings," click on "Send-to-Kindle Email Settings." Here, you will find your unique Send-to-Kindle email address.
2. Send an email to your Send-to-Kindle address: Attach the ebook file (supported formats include MOBI, AZW, PDF, DOC, DOCX, XLS, XLSX, PPT, PPTX, TXT, and HTML) to an email and send it to your Send-to-Kindle address.
3. Automatic download to Kindle: Your Kindle will automatically download and import the attached file within minutes. You can find the imported book in the "Docs" or "Books" section of your Kindle.

For a more direct and reliable transfer method, you can use a USB cable to connect your Kindle to a computer.

▪

Steps:

1. Connect your Kindle to a computer using a USB cable.
2. Your Kindle will appear as an external drive on your computer.
3. Navigate to the "Books" folder on your Kindle drive.
4. Drag and drop the ebook files you want to transfer into the "Books" folder.
5. Safely eject your Kindle from your computer.

6. The transferred books will be available in the "Books" section of your Kindle.
